Great time
September 6-7, 2008

Great place: MSU Livestock Pavilion,
East Lansing, centrally located for yearling
buyers from Michigan, Ontario and
the whole Midwest.

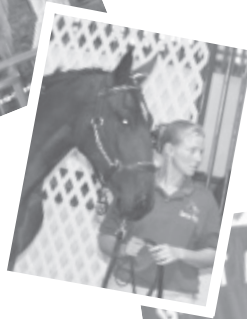

The best place to sell your Michigan yearlings.
And also a great spot to sell your others.
Consignors report mid-priced out-of-state
yearlings sell better at the Great Lakes Sale than
at out-of-state sales...with less risk, lower costs
and more convenience.
